On Wednesday, 6 May, I took [REDACTED] for an "on the spot briefing" of the installation and permitting him to inspect it. We also used the occasion to make final arrangements for the handling of "covering" of [REDACTED] security wise and to insure access to our personnel by the [REDACTED] Police and ADT officials on a twenty-four hour basis. This will be accomplished by giving a [REDACTED] telephone number and name in the Office of Security to these officials for emergency situations. Following a call the duty officer would then call Covert Training personnel on basis of a personnel roster provided to the Office of Security.
